Traditional, Basket and Contemporary Electric Fires

Burley's wide range of quality fires encompasses the timeless, classically designed traditional models through to the most contemporary wall-mounted fires with LED light source and unique hand-finished trims.

To find a Burley stockist near you, view our website www.burley.co.uk or speak to our friendly sales desk on 01572 756956.

La marque de foyers électriques Burley offre quelque chose pour tout le monde : la gamme comprend des poêles intemporels, classiques et traditionnels qui sont finis à la main, ainsi que des foyers plus contemporains et modernes avec éclairage LED.

Si vous cherchez un distributeur de Burley dans votre région, vous pouvez consulter le site web www.burley.co.uk, ou email sales@burley.co.uk

La amplia gama de fuegos eléctricos Burley combina algo para todos los gustos y con la máxima calidad. Desde modelos clásicos y tradicionales hasta los modelos más modernos de colgar en pared que incorporan tecnología LED.

Contacte con nosotros en el email sales@burley.co.uk para poder facilitarle los datos de nuestro distribuidor en su zona.

Burleys breites Angebot umfasst hochwertige elektrische Kaminfeuer von zeitloser, traditioneller Ausführung bis hin zu modern gestalteten Modellen mit Wandmontage, einzigartigen handgefertigten Verkleidungen und LEDFlammeneffekt.

Für Endverbraucher aus dem deutschsprachigen Raum Händlerverzeichnis bitte per E-Mail anfragen sales@burley.co.uk

De elektrische kwaliteitshaarden van Burley bieden voor elk wat wils: het assortiment omvat zowel tijdloze, klassieke en traditionele kachels die met de hand zijn afgewerkt als de meest eigentijdse, moderne hanghaarden met LED-verlichting.

Om een Burley - verdeler bij u in de buurt te vinden kan u de website www.burley.co.uk raadplegen, of email sales@burley.co.uk

Wardley 176R-BL/SS

New for 2014, our range of slim inset electric fires offer a wide choice of style and finish. These come with remote control as standard, hand painted log effect and a quiet thermostatically controlled heater.

Wardley 176R-BL/SS

Wardley 176R-BL

the new **Wardley**

A contemporary fire with black or stainless steel front and a choice of trims, this fire will complement any room and provide warmth and a highly effective new lighting effect, Lumen, which can be used with the fan heater on or off.

Wardley 176R-SS

Wardley 176R-SS/BL

Wardley 176R-BR/BL

the new **Egleton**

An impressive fire that will provide a statement in any room. Available with hand polished satin steel front and ashpan and choice of trim, including a profile trim option.
